Nominations:

- Nomination forms must be returned to the Students' Union Office no later than 5.00 pm, 12th April 2019 (no exceptions). It is advisable to hand in the form in plenty of time so that its validity can be checked.
- The nomination form must be signed by 40 current valid registered CIT students (Union members) – At least **TWO** of which must be **members of the Union Council** (i.e. current Union Officers or Class Reps).
- Please refer to nomination form rules for further details available at www.citsu.ie or from the SU Office.

- All candidates and their representatives are expected to treat all other candidates as well as the other members of the college community with dignity and respect and abide by basic rules of fair play.
- Candidates need to at all times be conscious of both their own health and safety and the health and safety of others throughout the campaign. In this regard the posting of literature on fire door windows and the hanging of any material from the ceiling in the main corridor are strictly forbidden as they present an unnecessary risk. Candidates will be informed at the earliest possible opportunity of any other specific health and safety dos and don'ts.
- Posters may only be erected using blue/white tac.
- Electioneering stickers may not be placed on Institute property.
- All canvassing must be confined to the college grounds.

Candidates or their agents who do take up the option to canvass online must provide details of any relevant social media sites they are using for this purpose. This should be done by emailing the Returning Officer and/or the deputy Returning Officer including in the body of the email links to the relevant sites.
- Use of the Students' Union logo is not permitted on electioneering materials.
- All electioneering material must be removed at close of the polling station.
- All Social Media campaigning accounts must be removed within one week after the election has taken place.

Discipline

A range of disciplinary procedures shall apply for breaches of any of the above regulations. These can vary depending on the seriousness of the offence, from at a basic level for an innocent mistake a verbal warning, up to for a serious offence being banned from this and future CITSU elections. At all times any disciplinary action will be chosen to match the offence and disciplinary measures will only be carried out once the alleged offender has been given an opportunity to explain their actions. If this explanation proves insufficient and in the view of the Returning Officer an offence has occurred then s/he will apply an appropriate disciplinary action. The Returning Officer's decision on such matters is final.
